

October 12th Term 4, Week 2

It was great to see all students back in the classrooms last week. They have smoothly settled back into school and enjoyed socialising with their friends.

Last week there were extra staff members assigned to every class to help support student learning. Jill, Carly, Leah and Mikayla enjoyed their time assisting students in classroom activities for Literacy and Numeracy classes.

We welcome Elissa back into our school community today, she will be working in the well-being area supporting Anna on Mondays for the rest of the term. Elissa has a wealth of knowledge and experience in the well-being area and we are grateful that she was able to join us for the term. If you are worried about your child's wellbeing please speak to your child's teacher and they will make contact with Anna or Elissa. Parents can also speak to Anna or Elissa about their child's wellbeing.

The Parents and Friends committee are meeting tonight via WebEx, starting at 7:30pm.

The annual Runners/Walkers program starts tomorrow with an adjusted course due to the water on the bottom oval. Three or four times a week all students run laps at the end of lunch and the number of laps gets tallied. At the end of the year some students are awarded medallions for achieving excellent results each week.

On Friday we will run a virtual assembly and the link will be put on Xuno. Classroom awards will be presented along with some reports.

Finally, a massive thanks to everyone for your unwavering support on Friday. Child safety continues to be our top priority! At 8:45 when I received advice to transition to remote learning, all members of staff assisted with action this notification. I was told from many staff members, countless times, of how supportive and accepting parents were upon learning that we were sending the students home again. I appreciate how frustrating this must have been, given we were only back for four days! I know that many of our town students were not directly at risk but that was not the case for many of our out of town students. By the end of the day we also had to cancel two bus runs due to altered routes because of road closures due to flooding. I want to send our collective best wishes and thoughts to all those who have been impacted by the flood waters.

PFCs CAFE MENU

Welcome to our café menu served over 2 days on Wednesday and Friday. The café program is a part of our kitchen garden program and as part of our sustainability waste free lunch program. Our meals are freshly prepared in our café each day. We provide wholesome versions of the student's favourites. We love home cooked food that is created from fresh ingredients, is sourced locally, supports local business and celebrates seasonal foods.

Term 4 - 2020 :

| Week | Wednesday | Friday |
|------------|-------------------------------|-----------------------------------|
| 2 12/10 | Spaghetti bolognese (GF, V) | Nachos with cheese (V, DF) |
| 3 19/10 | Toasted cheese sandwiches (V) | Baked potatoes (GF, V, DF) |
| 3 26/10 | Fried rice (GF, V) | Egg and bacon muffins |
| 4 2/11 | Pesto pasta (GV, V) | Cheeseburgers (V) |
| 5 9/11 | Mac and cheese (V) | Pizza (V) |
| 6 16/11 | Baked potatoes (GF, V, DF) | Soft Beef and Bean Tacos (V) |
| 7 23/11 | Pesto pasta (V) | Toasted Cheese Sandwiches (G, GF) |
| 8 30/11 | Spaghetti bolognese (G,FV) | Pizza (V, DF) |
| 9 7/12 | Toasted sandwich (GF, V) | Sausage sizzle |

SPECIAL DIETARY : You will notice that the meals have been allocated according to diet preference. Please check the food offered especially if you are putting in a term order, as we cannot accommodate all diet needs on all meals. **CAFÉ EXTRAS** : If you would like to have an extra serve on any day just add \$2 to your order and let us know (for example writing on an envelope that you are having an extra serve). Please make sure that you **LABEL YOUR LUNCH ORDERS** so that the office knows who it belongs to and for when you want café. Eg On an envelope / plastic bag with the child's/children's names, class/classes and the date they would like café (eg Friday 28/6/19)

REMINDERS :

- Students are required to **wear hats in Term 4.** - \$15 at school office for purchase.
- **Parents are asked to not come onsite** unless it is an emergency.
- Please observe social distancing when dropping off or picking up children.

BEFORE AND AFTER SCHOOL HOURS CARE :

Before and after school hours care will be running during Term 4 for PFCS students only (not including St Pat students) If you need to book your child in please contact the school or Bev directly as soon as possible.

**PFCS P&F Committee meeting to be held via Webex
on Monday 12th October at 7:30pm.**

The Moyne sessions Pop-Up Recording Studio program

Applications are now open for emerging artists who work, play or recreate within the Shire to be part of The Moyne sessions Pop-Up Recording Studio Program. A new initiative, the program will see young artists working with music industry professionals to produce and promote their original music.

Each participating artist receives a video clip, professionally produced tracks and access to feedback from program partners Universal Music Group Australia along with radio play across community radio throughout Australia, ACE Radio/ 3YB Coast FM; 103.0FM and ABC Southwest.

Prior to recording artists will be connected with award winning producer, Cameron Deyell, best known for working with Sia on her Grammy-nominated platinum selling Album, This Is Acting for a song polishing workshop; and an artist workshop with the world-renowned Australian Artist Nathan Cavaleri.

Following the program artists will be provided professional pathway development opportunities to showcase their talent and advance their musical careers.

The Moyne Sessions Pop-Up Recording Studios will be held in Port Fairy, Mortlake and Koroit January 2021.

Young People Calling for your Support (Lead4innovaiton Program)

Imaginative young people from Moyne and surrounding areas hope to turn creative ideas developed in the Moyne Shire Lead4innovation program into real life solutions that benefit the broader community. Earlier this month four teams of young people pitched their big ideas surrounding social issues. The prominent themes that surfaced throughout the pitches were; promoting health and wellbeing for young people, and caring for a healthy environment.

You can check out all the ideas and vote on your favourite here: <https://cicbeyond.com/home/moynelead4innovation>
